

## HOW TO UPDATE WHERE YOU WANT YOUR AP SCORES TO BE SENT

Log in to <https://apstudents.collegeboard.org/>

You should be on the page that looks like this.

On the right side, click **My AP Profile** (it got cut off in the picture below).

Click on **Score Send** to update the college where you want College Board to send your AP exam scores. You get to send your scores to one college for free. You can always pay to send your scores at a later time too.

Search for your college from the list and then click on the correct option from the drop down menu that pops up.

Be sure to click **Save** when you have selected your college
