- ❑ Inconsistent substitutes

- ❑ COVID-19 (Student & Staff Absences)
- ❑ Lack of Teacher Coaching
- ❑ EdGenuity on 7th grade reading level

How “Back On Track” Works

“Back On Track” is a credit recovery initiative out of the Office of Graduation Excellence. “Back On Track” is designed for high school students to recover .5 or 1 Carnegie unit during a 9 week grading period. Students will receive blended instruction each evening, direct instruction and EdGenuity (self-paced). Teachers will differentiate instruction for students while remediating and ensuring high levels of engagement.

Instruction will be provided by teachers across EBRPSS. Students will receive a hot meal each evening at 5 pm and will begin class promptly at 5:30 pm and end nightly at 7:30 pm. Students will receive transportation from homeschool to designated sites and from designated sites to the students' home.
